Dear Class of 2018,

On behalf of the Carnegie Mellon University Alumni Association and our more than 105,000 alumni, congratulations! With this diploma, you not only enter a new phase in your life, but also a new chapter of your lifelong connection with Carnegie Mellon University. Welcome to the CMU alumni network!

Wherever life takes you, we invite you to stay involved with the CMU Alumni Association (CMUAA). Anytime you need help from the university or come back to campus, make the CMUAA your first contact to help you navigate the many resources available to you.

Stay up-to-date by keeping your contact information current with the CMUAA. If you haven't already, you can move over to your new alumni email address through Google Apps. This account, which you can access using your Andrew username and password, can be used to show the world that you are a CMU alum!

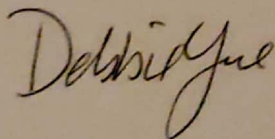

Take advantage of opportunities to connect with fellow alumni, current students and families through regional networks around the country and across the globe. You can also meet like-minded alumni through interest group programming and reunions during Spring Carnival.

If you are interested in professional networking, there are multiple ways to connect through the Alumni Association. The offerings include regional and online networking events with fellow alumni, as well as academic and professional development programming.

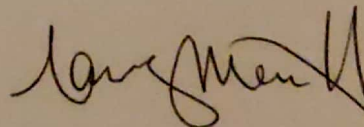

You can learn more about these and other resources through our website, [alumni.cmu.edu](http://alumni.cmu.edu).

Again, our heartiest congratulations to you as a member of the Class of 2018!

Sincerely,

Deborah Yue, DC 1989  
President, Alumni Association Board
